

ABA:2721

A posterior

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, indicating a specific signal or contrast. The brain's internal structures, including the ventricles and surrounding tissue, are visible. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the bottom. The text 'ABA:2721' is located in the top left corner, and 'A posterior' is located in the bottom left corner.
