

ABA:532642

Pir

A blue brain scan image, possibly a PET or SPECT scan, showing a cross-section of a brain. The image is overlaid with a white grid consisting of two vertical and two horizontal lines, dividing the image into a 3x3 grid of squares. The brain tissue is represented by a bright blue color against a black background. There are some darker blue areas, possibly indicating higher activity or density. The text 'ABA:532642' is in the top left corner, and 'Pir' is in the bottom left corner.
