

ABA: 68148693

Cb lobe

The image displays a cross-sectional view of a brain, likely from a PET or SPECT scan. A specific region in the lower-middle part of the image is highlighted in a vibrant blue color. This region is roughly U-shaped, following the central sulcus and extending laterally. The rest of the brain area shown is in grayscale. A white crosshair is superimposed on the image, with the vertical line passing through the center of the blue region. The text 'ABA: 68148693' is located in the top-left corner, and 'Cb lobe' is in the bottom-left corner.
