

ABA: 68191450

Pn

The image displays a 2x2 grid of brain scan slices. The top-left slice shows a blue highlighted region in the left hemisphere, with a small, brighter blue spot at the bottom. The top-right slice shows a similar blue highlighted region. The bottom-left and bottom-right slices are mostly black, indicating no significant activation or a different slice. A white crosshair is centered in the image, dividing it into four quadrants. The text 'ABA: 68191450' is in the top-left corner, and 'Pn' is in the bottom-left corner.
