

ABA: 68269063

SCN

The image displays a coronal cross-section of a brain. A vertical line divides the image into two halves. The left half shows a brain hemisphere with a blue highlighted region, primarily in the posterior and lateral areas. The right half shows a brain hemisphere with a blue highlighted region, primarily in the anterior and medial areas. A horizontal line crosses the middle of the image, intersecting the vertical line. The text 'ABA: 68269063' is in the top left corner, and 'SCN' is in the bottom left corner.
