

ABA: 68341543

IC

The image displays a brain scan, likely a PET or SPECT scan, with a blue highlighted region indicating areas of increased metabolic or functional activity. The brain is centered in the frame, and the blue area is primarily located in the lower-left quadrant of the brain's cross-section. A white grid is overlaid on the image, with a vertical line passing through the center and a horizontal line passing through the middle of the brain. The text 'ABA: 68341543' is positioned in the top-left corner, and 'IC' is in the bottom-left corner.
