

ABA: 68441616

SCN

A coronal brain section image, likely from a rodent, showing a blue-stained area. A vertical line and a horizontal line intersect at the center of the brain. The text "ABA: 68441616" is located in the top left corner, and "SCN" is in the bottom left corner. The blue staining is concentrated in the central region, with some lighter blue areas extending towards the top and bottom. The overall shape of the brain is roughly oval.
