

ABA: 68445131

VPM/VPL

A brain scan image, likely an axial slice, showing a region of activation in the left hemisphere. The activation is represented by a cluster of yellow and red pixels, indicating higher intensity compared to the surrounding blue and black areas. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA: 68445131' is in the top left, and 'VPM/VPL' is in the bottom left.
