

ABA: 68498534

VMH

The image shows a coronal section of a brain. A large, irregularly shaped region in the medial prefrontal cortex is highlighted in a solid blue color. This region is located in the upper-middle part of the brain slice, spanning across the midline. The rest of the brain slice is shown in grayscale. A white crosshair is overlaid on the image, with the vertical line passing through the center of the brain and the horizontal line passing through the lower part of the brain slice. The text 'ABA: 68498534' is in the top left corner, and 'VMH' is in the bottom left corner.
