SPa ventral

This image shows a fluorescence microscopy view of a SPa ventral. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant contains the text 'ABA: 68546434'. The bottom-left quadrant contains the text 'SPa ventral'. The image displays two distinct blue fluorescent regions, one on the left and one on the right, separated by the vertical line. The left region shows several bright spots, while the right region is more uniform in color.
