

ABA: 68667192

Cb lobe

The image displays a brain scan, likely an axial slice, with a central region highlighted in blue. This blue area is roughly U-shaped, with a vertical gap in the center. The blue region is set against a black background. A white grid is superimposed on the image, consisting of a horizontal line and two vertical lines. The text 'ABA: 68667192' is located in the top-left corner, and 'Cb lobe' is in the bottom-left corner.
