OB anterior

The image displays a brain scan, likely a PET or SPECT scan, showing two distinct, blue, lobulated structures. These structures are positioned symmetrically on either side of a central vertical white line. The background is black. A horizontal white line crosses the middle of the image, and a vertical white line runs down the center. The text 'ABA: 68667748' is located at the top left, and 'OB anterior' is at the bottom left.
