

ABA: 68744450

ventral S

A coronal brain scan image, likely an fMRI or PET scan, showing a blue-colored brain structure against a black background. The image is overlaid with a white grid. The text "ABA: 68744450" is in the top left, and "ventral S" is in the bottom left. The brain structure shows a central vertical fissure and several bright spots, particularly in the lower central region.
