

ABA: 68845723

OB anterior

A PET scan image showing a brain cross-section. The image is predominantly dark blue, indicating low metabolic activity. A focal area of high metabolic activity is visible on the left side of the image, appearing as a bright yellow and green spot. This area is located in the anterior region of the brain, as indicated by the label 'OB anterior' at the bottom. The image is also labeled 'ABA: 68845723' at the top. The image is divided into four quadrants by a horizontal and a vertical white line.
