

ABA: 68918733

Cb lobe

The image displays a blue brain scan, likely an fMRI or PET scan, against a black background. The scan shows a central vertical structure, possibly the corpus callosum or a similar midline structure, and a lateral lobe on the left side. The text 'ABA: 68918733' is located at the top left, and 'Cb lobe' is at the bottom left. A white crosshair is visible over the scan.
