

ABA: 69013438

SCN

The image displays a coronal cross-section of a brain, with the two hemispheres visible. A blue overlay is present on both hemispheres, indicating a specific region of interest. A small, bright, circular spot is visible on the left hemisphere, near the bottom edge. The image is divided into four quadrants by a vertical line and a horizontal line. The text 'ABA: 69013438' is located in the top-left quadrant, and 'SCN' is located in the bottom-left quadrant.
