

ABA: 69013603

CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a bright blue fluorescent signal, which is more intense in the upper-left quadrant and fades towards the bottom-left. The right half of the image is dark, indicating no significant fluorescence. The text 'ABA: 69013603' is in the top-left corner and 'CA1' is in the bottom-left corner.
