

ABA: 69080066

ME

The image displays a brain scan, likely an MRI or PET scan, showing two hemispheres. The left hemisphere (viewer's left) features a prominent, bright, circular spot in its center, indicating a region of high signal intensity. The right hemisphere (viewer's right) appears relatively uniform and less bright. A vertical white line divides the two hemispheres. A horizontal white line is positioned below the hemispheres. The text 'ABA: 69080066' is located at the top left, and 'ME' is at the bottom left.
