

ABA: 69134169

CA1

The image displays a cross-sectional view of a brain, likely from a PET or SPECT scan, with a color scale where blue represents higher activity. A white grid is superimposed on the image. The text 'ABA: 69134169' is located in the top-left corner, and 'CA1' is in the bottom-left corner. The brain's internal structures, including the ventricles and cortical areas, are visible, with some regions showing more intense blue coloration than others.
