

ABA: 69169463

SCN

The image displays two coronal brain slices. The left slice shows a large, irregularly shaped blue region in the medial prefrontal cortex, representing the activation of the subcallosal nucleus (SCN). The right slice shows a similar blue region in the same anatomical location. A vertical white line separates the two slices, and a horizontal white line is positioned below the slices. The text 'ABA: 69169463' is located at the top left, and 'SCN' is at the bottom left.
