

ABA: 69262257

CA1

This is a fluorescence microscopy image of a brain section. The image is predominantly blue, indicating the presence of a fluorescent signal. A white crosshair is overlaid on the image, with the vertical line passing through the center and the horizontal line intersecting it. The text 'ABA: 69262257' is located in the top left corner, and 'CA1' is in the bottom left corner. The blue signal is concentrated in the central and left portions of the image, with some brighter spots visible in the central region.
