Cb lobe

The image displays a coronal cross-section of a brain. A specific region, identified as the cerebellar lobe (Cb lobe), is highlighted in a solid blue color. This region is roughly U-shaped, with a central vertical gap. The blue area is set against a black background. A white crosshair is overlaid on the image, with a vertical line passing through the center of the blue region and a horizontal line intersecting it. The text 'ABA: 69262299' is located in the top-left corner, and 'Cb lobe' is in the bottom-left corner.
