

ABA: 69262333

DM

The image displays a brain scan, likely an axial slice, with a color scale ranging from dark blue to light blue. A central vertical line and a horizontal line intersect at the center of the brain. The text 'ABA: 69262333' is located in the top left corner, and 'DM' is in the bottom left corner. The brain's structure is visible, with the central region showing a lighter blue color, possibly indicating a specific area of interest or a lesion.
