VMH

This is a fluorescence microscopy image of a brain section. The image is divided into two main regions by a vertical white line. The left region shows a complex pattern of blue and yellow fluorescence, with a prominent yellow spot in the upper-middle section. The right region is mostly dark blue. A horizontal white line crosses the image near the bottom. The text 'ABA: 69288291' is in the top left, and 'VMH' is in the bottom left.
