

ABA: 69290633

IC

The image displays a brain scan, likely an fMRI or PET scan, with a blue-colored region representing a specific area of interest. A small cluster of yellow and red pixels is visible on the left side of the image, indicating a localized area of higher activity or intensity. The image is overlaid with a white grid consisting of a vertical line and a horizontal line. The text 'ABA: 69290633' is located in the top left corner, and 'IC' is in the bottom left corner.
