S0

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly black, with a large, irregularly shaped blue region in the center, indicating areas of increased activity or uptake. The blue region is more intense in some areas, particularly on the left side of the image. A white grid is overlaid on the image, with a vertical line and a horizontal line intersecting in the center. The text 'ABA: 69407600' is located in the top left corner, and 'S0' is in the bottom left corner.
