IC

The image displays a brain scan, likely an axial slice, with a blue highlighted region on the left side. Two bright cyan spots are visible within this region. A white crosshair is overlaid on the image, with the vertical line passing through the center of the brain and the horizontal line passing through the middle of the highlighted area. The text 'ABA: 69514624' is located in the top left corner, and 'IC' is in the bottom left corner.
