

ABA: 69514756

A anterior

An axial brain scan slice with a blue highlighted region. The image is divided into four quadrants by a vertical and a horizontal white line. The blue region is located in the posterior and lateral areas of the brain, with a small dark spot in the midline posterior region. The text 'ABA: 69514756' is at the top left, and 'A anterior' is at the bottom left.
