S0

A blue, pixelated, stylized letter 'G' is centered on a black background. The 'G' is composed of many small blue squares, giving it a blocky, digital appearance. It is oriented horizontally, with the opening of the 'G' facing to the right. The letter is roughly circular in shape, with a vertical bar on the right side and a curved top and bottom. The overall effect is that of a low-resolution digital graphic or a stylized logo.
