

ABA: 69527734

SPa ventral

The image features a central blue, symmetrical shape resembling a butterfly or a pair of wings, set against a black background. The shape is bisected by a vertical white line and a horizontal white line that intersect at its center. On the left side of the shape, there is a small, bright blue spot. The overall appearance is that of a stylized, possibly digital or scientific, representation of a biological or chemical structure.
