The image displays a cross-sectional view of a brain, likely from a PET or SPECT scan. The brain is represented by a blue, textured shape against a black background. A vertical white line runs through the center, and a horizontal white line crosses the middle. In the bottom-left corner, there is a small, bright yellow and orange spot, indicating a region of high activity or a lesion. The text 'ABA: 69540464' is located in the top-left corner, and 'S0' is in the bottom-left corner.
