

ABA: 69549246

CA1

This is a fluorescence microscopy image of a brain section, likely from a rodent. The image shows a coronal slice with a central vertical sulcus. The left hemisphere (viewer's left) shows a bright, localized signal in the CA1 region, indicated by a white line. The right hemisphere (viewer's right) shows a more uniform, dimmer signal. The image is overlaid with a white grid. The text 'ABA: 69549246' is in the top left, and 'CA1' is in the bottom left.
