

ABA: 69734524

SCN

The image displays a brain scan with two prominent blue regions, likely representing areas of activation or interest. A vertical line divides the image into two halves. The left half shows a small, bright blue spot within the larger blue region. The right half shows a solid blue region. The background is black. The text 'ABA: 69734524' is at the top left, and 'SCN' is at the bottom left.
