OB anterior

The image displays a cross-sectional view of a brain, likely from a rodent, with two prominent, blue, lobulated structures (possibly olfactory bulbs or similar) visible. The structures are positioned symmetrically on either side of a central vertical line. The background is black, and the entire image is framed by a thin white border. The text 'ABA: 69735048' is located in the top left corner, and 'OB anterior' is in the bottom left corner.
