

ABA: 69735263

VA/VL

A coronal brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly black, with a large, irregularly shaped blue region in the center, representing areas of increased metabolic activity or tracer uptake. A vertical white line runs through the center of the brain, and a horizontal white line crosses the middle. The text 'ABA: 69735263' is in the top left, and 'VA/VL' is in the bottom left.
