

ABA: 69838649

S0

A blue brain scan image, likely an MRI or PET scan, showing a cross-section of a brain. The image is overlaid with a white grid consisting of three vertical lines and one horizontal line. The text 'ABA: 69838649' is in the top left, and 'S0' is in the bottom left. There are some bright spots in the lower-left quadrant of the brain image.
