CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a white crosshair. The left half of the image shows a blue-stained brain section with a prominent yellow-green spot in the upper-left quadrant, indicating a specific area of interest. The right half of the image is mostly black, suggesting a lack of signal or a different experimental condition. The text 'ABA: 69885612' is in the top-left corner, and 'CA1' is in the bottom-left corner.
