

ABA:70305383

CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a white crosshair. The left half of the image shows a complex, multi-colored pattern of fluorescence, with a prominent yellow and orange region in the upper left and a smaller yellow and orange region in the lower left. The right half of the image is a solid, uniform blue color. The text 'ABA:70305383' is located in the top left corner, and 'CA1' is located in the bottom left corner.
