CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a brain section with a prominent, bright blue fluorescent signal in the CA1 region, which is labeled in the bottom left corner. The right half of the image shows a similar brain section but with a much dimmer, uniform blue signal. The top left corner of the image contains the text 'ABA:70429052'.
