

ABA:70429094

A posterior

A posterior brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is divided into four quadrants by a vertical and a horizontal line. The text 'ABA:70429094' is in the top left and 'A posterior' is in the bottom left. The image shows a color scale from blue to yellow, indicating different levels of activity or concentration. There are several bright spots, particularly in the left hemisphere (viewer's left), suggesting areas of high activity or concentration. The right hemisphere (viewer's right) appears mostly blue, indicating lower activity or concentration.
