

ABA:70919203

CA1

This is a fluorescence microscopy image of a brain section. The image shows a coronal slice of the brain with a grid overlay. The CA1 region is highlighted in blue and yellow, indicating high fluorescence intensity. The rest of the brain tissue is dark blue, indicating low fluorescence intensity. The text 'ABA:70919203' is in the top left corner, and 'CA1' is in the bottom left corner.
