VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a brain section with a blue background and several bright, localized spots of fluorescence. The right half of the image shows a similar brain section but with a more uniform, solid blue color. The text 'ABA:70946186' is in the top left, and 'VMH' is in the bottom left.
