Arc

The image displays a coronal cross-section of a brain, rendered in a solid blue color against a black background. A prominent, bright yellow-green spot is located at the bottom center of the brain, indicating a region of high intensity or activity. A white crosshair is superimposed on the image, with its vertical line passing through the center of the brain and its horizontal line intersecting the bottom edge. The text 'ABA: 71358591' is positioned in the top left corner, and the text 'Arc' is in the bottom left corner.
