

ABA:71378475

OB anterior

A fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant contains the text 'ABA:71378475'. The bottom-left quadrant contains the text 'OB anterior'. The central region, where the lines intersect, shows a bright, localized spot of fluorescence, primarily in shades of blue and cyan, with a small area of higher intensity appearing yellowish-green. The rest of the brain tissue is dimly visible in blue.
