

ABA: 71529995

VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant shows a bright blue spot, likely representing a specific cell or region of interest. The rest of the image is dark, with some faint blue fluorescence visible in the top-left and bottom-left quadrants. The text 'ABA: 71529995' is in the top-left corner, and 'VMH' is in the bottom-left corner.
