

ABA:71656124

VMH

The image shows a coronal section of a rodent brain. A large, irregularly shaped region in the medial prefrontal cortex is highlighted in a solid blue color. This region is roughly symmetrical about the midline and extends laterally and anteriorly. A vertical white line marks the midline, and a horizontal white line is positioned below the brain slice. The text 'ABA:71656124' is in the top left, and 'VMH' is in the bottom left.
