

ABA:71763546

OB anterior

A fluorescence microscopy image showing two distinct blue fluorescent spots. The spots are roughly circular and positioned symmetrically on either side of a central vertical axis. A horizontal white line crosses the spots at their widest point. The background is black. In the top left corner, the text 'ABA:71763546' is displayed in white. In the bottom left corner, the text 'OB anterior' is displayed in white.
