

ABA: 72182944

VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a complex, branching pattern of bright blue fluorescence, indicating the presence of a specific marker or protein. The right half of the image is mostly dark, with a faint, uniform blue glow. The text 'ABA: 72182944' is in the top left, and 'VMH' is in the bottom left.
