

ABA: 73513639

CPu lateral

A coronal brain scan image, likely an MRI or PET scan, showing a cross-section of the brain. The image is predominantly black, with a bright blue region on the left side (patient's right) indicating a specific area of interest. This region is labeled 'CPu lateral' at the bottom. A white crosshair is overlaid on the image, with the vertical line passing through the center of the brain and the horizontal line passing through the middle of the image. The text 'ABA: 73513639' is visible in the top left corner.
