

ABA: 73514695

SCN

The image displays a coronal cross-section of a brain. Two large, symmetrical, blue-colored regions are visible, representing areas of activation or interest. These regions are separated by a vertical line, likely the midline. The background is black. In the top left corner, the text 'ABA: 73514695' is displayed. In the bottom left corner, the text 'SCN' is displayed. A horizontal line runs across the middle of the image, intersecting the vertical line.
